Work Experience

Lead Graphic Designer

Aug. 2025 - Present

WOLF Radio | Carrollton, GA

- Lead creative design for the station's brand identity across digital and print media, aligning visuals with the station's voice and audience.
- Design and produce show logos, event posters, and social media campaigns that strengthen brand presence and engagement
- Collaborate closely with station managers, show creators and producers, and social media teams to translate creative direction into cohesive visual concepts
- Maintain organized design assets and contribute to creative planning meetings to enhance storytelling

Library Assistant

Sept. 2021 - Dec. 2024

Cobb County Public Library | Marietta, GA

- Create intranet on Google Sites for library region (50+ employees) through workflow consideration, user interviews, and stakeholder feedback to increase adoption and improve user experience
- Consolidate 3 flyers given to all new library card holders into 1 flyer while maintaining clarity and aesthetics
- Train new hires and volunteers on customer-facing policies, procedures, and workflows
- Execute US Passport applications through detailed reviews to ensure alignment with federal regulations
- Assist other branches and teams as needed, including outreach, order supply requests, tracking inventory, submitting damaged items form, etc

Education

University of West Georgia

2025-Present

Graduating December 2026

Bachelor of Fine Arts with a Concentration in Graphic Design

- Designed various promotional materials including packages, posters, and branding. Applied feedback from professor and peers to create a collaborative environment and improve each product.
- Filmed, Edited, and Animated Video projects of various styles and formats.
- Developed a diverse set of multi-media artistic skills including pottery, photography, metalworking, and print-making.
